

TOSCA CALIFORNIA 100% FRESH WINE JUICE DESCRIPTIONS

REDS:

TOSCA RED BLEND: A lighter blend of red wines, medium body; comparable to a house red.

ZINFANDEL BLEND: 50% base of pure zinfandel with a blend of lighter red juice to give a lighter zinfandel taste

ALICANTE BLEND: 50% base of pure Alicante with a blend of lighter red juice to give a lighter Alicante wine

ALICANTE SUPERIOR 100%: Full-bodied, intensely coloured red wine

RED BORGHESE: Blend of full bodied juices which gives a delicious wine somewhat like those of northern France

SHIRAZ: Deep coloured, tannic, ages well, very flavourful red wine

GRENACHE: Lighter coloured, fruity, low in tannins

BARBERA: Quite acidic, with a ripe currant flavour and a bit of smokiness

MONTEPULCIANO: Deeply coloured, rich red wine with flavours of blackberry, spice and pepper. Moderately acidic, smooth and mellow.

ZINFANDEL SUPERIOR 100%: Hearty, robust with berry like flavours, spicy, tannic...

MERLOT: Medium to dark red, rich and fruity. Round and supple. Drink young.

“ORGANIC” MERLOT: Grown without the use of chemical pesticides.

AUSTRALIAN CABERNET SAUVIGNON: Medium red, fruity, tannic and long-lived. Oaked CABERNET

SAUVIGNON: Medium red, fruity, tannic and long-lived

VIEUX CHATEAU ROUGE: Big, rich, full bodied wine with spicy raspberry flavours.

GOLD MEDAL SERIES REDS – CRUSHED GRAPE SKINS INCLUDED

AMARONE STYLE: Blend with cherry and plum flavours and a bittersweet essence

BAROLO STYLE: Based on the Nebbiolo grape, tough tannic, rich and full bodied

PINOT NOIR: Fruity red wine which develops great complexity as it matures

WOLF SHIRAZ (AUSTRALIAN): Deep coloured, tannic, ages well, very flavourful red wine. Oaked

CARMENERE (CHILEAN): In Chile, often confused with Merlot, but more fruity and dusty compared to Merlot's spicy, stalky flavours.

WHITES:

TOSCA WHITE BLEND: Generic blend of white wines. Gives a light to medium “house” white

PALAMINO BLEND: 50% pure palomino blended with other light whites to give a lighter version of the 100% palomino

MUSCATI BLEND: 50% pure muscati blended with other lighter white grapes gives a lighter version of the 100% muscati, while preserving the distinctive aroma and taste

PINOT BLANC: Dry white wine often compared to chardonnay. Fresh apple aroma, with hints of spice. Crisp and fresh

MUSCATI SUPERIOR 100%: Fragrant, perfumy, musky ripe-grape flavours

PALOMINO SUPERIOR 100%: Delightful lighter white wine

FRENCH COLOMBARD: Crisp, moderately dry, spicy wine with floral attributes and good acidity

SAUVIGNON BLANC: Noticeably acidic & crisp herbaceous wine; sometimes flinty

WHITE ZINFANDEL BLUSH: Fruity flavoured, slightly pink wine

GEWURZTRAMINER: Crisp, spicy, highly fragrant, with flavours of litchis, roses, and spices

JOHANNISBERG RIESLING: Delicate, complex, slightly fruity, flowery bouquet & long finish

PINOT CHARDONNAY: Apple, pear, fig citrus tones, may be oaked, can be very soft

ORGANIC CHARDONNAY: same as chardonnay, but grown without chemical pesticides

GOLD MEDAL SERIES WHITES – CRUSHED GRAPE SKINS INCLUDED

AUSTRALIAN CHARDONNAY: Apple, pear, fig citrus tones, oaked, can be very soft

PINOT GRIGIO: Delicate bouquet. Lively when young. Superb with poultry & white pasta. Low in acidity. Pale orange-peach colour

SHIRAZ BLUSH (AUSTRALIAN): A delightful blush wine produced using primarily the juice from these grapes and only a slight smidgen of skin for color.

MULLER-THURGAU: These grapes produce a smooth, low-acid, medium-sweet wine with a hint of Muscat.

WHITE MERLOT: White Merlot derives its color by leaving the grape juice in contact with the red skins of the grape for a short period of time, usually hours or days.
